Wharton UNIVERSITY of PENNSYLVANIA DOCTORAL PROGRAMS

Application to Dual Degree – Master of Arts in Statistics and Data Sciences

University of Pennsylvania Ph.D. students must use this form to propose individualized study for a dual degree (e.g., where the student enrolls in different degree programs and earns degrees in each, such as Ph.D.-M.A.).

The purpose of this form is to document approval of the proposed plan of study, and to clarify the academic expectations of all parties. Ordinarily this form will be completed and signed prior to the doctoral qualifying examination. Return this form to the Wharton Doctoral Programs Office (gmurray@wharton.upenn.edu)
