

Certification of Master's Thesis

The master's thesis is a research paper that makes substantial use of statistics and is not part of a student's dissertation (though it can be related to the dissertation work) or material you completed for a course (though it can build on a paper completed for a course). The thesis can be original research or can be a literature review of some area of statistics related to a student's research. **The thesis must be approved by a standing faculty member in your home department who has agreed to serve as an adviser for the project.**

This is to certify that _____ has completed a paper acceptable as the Master's thesis.

Title of Paper:

Home Department Faculty Name: _____
